

IMPORTANT INFORMATION

The Town of Argos recently accepted bids for Trash and Recycling services. The most responsible bid came from Apex Waste, Inc. We will begin using this service in January 2025.

The last date for Republic Services will be Thursday, December 26.

Trash pick-up will be on Thursdays and Recycling every other Friday beginning in January.

Apex Waste will start delivering the RED totes/containers and dumpsters on Dec. 16. Please note where the tote or dumpster is delivered since that will be the future pick-up location.

Continue to use the blue Republic Totes or Dumpsters until December 26. Additional information and the 2025 pick-up calendar will be included with the December bill.

Thank you,

Clerk's Office
