NEW TRASH SERVICE 2025

Beginning January 1, 2025, the Town of Argos will be using Apex Waste Inc. for our trash and recycling services. Below is additional information regarding the new service and how we will transition from Republic to Apex. The new service will be different for us since trash will be picked up on Thursdays and recycling every other Friday.

DATES

12/26/24 – last day of service with Republic. Trash and recycling totes will be picked up after regular service. This is **NOT** a regular recycling day so **BE SURE YOUR RECYCLE TOTE IS EMPTY** on the 26th. If your totes have not been picked up by 12/30, call the Clerk's office.

12/16/24 - Apex will begin delivering Red Trash and Recycling totes to residents. This could take several days so watch for your delivery. Please note where your totes are dropped off since that is where they will be picked up during regular trash/recycling service. This may be different from your current location. **DO NOT USE** these totes until after 12/26.

Trash service will be on Thursdays and Recycling every other Friday– we recommend putting totes out the night before, but they must be out by 5am.

PRICING – There will be an increase in trash/recycling service for 2025. The Town hasn't had a rate increase for several years so regardless of who was chosen as our service provider, there would have been an increase.

Residential - \$21.50 (trash and recycling).

Commercial - \$45.00 (4 yd dumpster) Every commercial customer is entitled to a 4 yd dumpster. If a larger dumpster is needed, there is an additional \$20.00 per yard over the contracted size.

SCHEDULE – On the back of this page is the pick-up schedule that also shows holiday changes and large item pick up dates. Please keep this in an easily accessible location for future reference. Apex Waste has a Facebook page where you can see real time holiday reminders and weather updates – please like and follow their page.

Apex Waste uses GPS and dash camera monitoring to ensure we get the best service.

Large item pick-up dates: April 3, June 5, August 7 and October 2.
